

XXVII ICORS 27th International Conference on Raman Spectroscopy

August 14-19, 2022 | Long Beach Convention Center | Long Beach, California

Since the inaugural event in 1969, **ICORS** has continued to bring together researchers from diverse fields to discuss the most recent progress and emerging ideas in Raman spectroscopy. Attendees range from leading experts to junior researchers and graduate students, with informal exchange of ideas encouraged among all. Over 700 professionals are expected to attend. Over the five-day conference, session topics will include:

- **Non-linear and Time Resolved**
- **Sers, Ters and Plasmonics**
- **Material Science**
- **Fundamentals and Theory**
- **Biology and Biomedicine**
- **Novel Techniques, Analytics and Applications**

EXHIBITION

Take part in a unique event for Raman spectroscopy by exhibiting at the 27th International Conference on Raman Spectroscopy (ICORS). **Don't delay...reserve your space today!**
